

TALAM KRISHNA KARTHEEK

Andhra Pradesh, India | +91 9347547846 | krishnakarthekgoud@gmail.com github.com/Krishna-karthek | linkedin.com/in/krishna-karthek-talam

SUMMARY

Computer Science undergraduate (2024–2028) specializing in AI/ML. Experienced in developing real-time projects utilizing Python, JavaScript, HTML, CSS, Flask, and MySQL. Proficient in managing data workflows via Excel and configuring system sequence loops through advanced Prompt Engineering to deploy interactive, full-stack applications.

TECHNICAL SKILLS

- **Programming Languages:** Python, JavaScript, HTML, CSS
- **Backend & Database:** Flask, MySQL
- **Tools & Productivity:** Excel, Prompt Engineering
- **Core Concepts:** Web Development Basics

TECHNICAL PROJECTS

UpTrail — AI-Powered Immersive Mock Interview Platform | *Core Architect* | 2026

- **Context:** Scalable MVP simulating automated live interview environments (Google Meet + LeetCode workflow configuration).
- Architected a unified full-stack workspace integrating synchronized media feeds, live timers, and code compilation panels.
- Integrated strict JSON response protocols with generative APIs to systematically compute deterministic evaluation scorecards.

YieldCraft — High-Precision Asset Calculation Engine | *Full-Stack Developer* | 2026

- **Context:** Decoupled full-stack financial utility running high-precision compounding deposit computations.
- Engineered an asynchronous backend processing pipeline using Python to compute compounding metrics dynamically.
- Managed all client-side data mutations asynchronously to enable seamless, zero-refresh DOM transitions.

EDUCATION

- **B.Tech — CSE (AIML Specialization)** | KIET Group of Institutions | **2024 — 2028** (Third Year, Ongoing)
- **Intermediate (12th Grade)** | Sri Chaitanya Junior College, Amalapuram | **2024** | Score: **89%**
- **Secondary School (10th Grade)** | ZPP High School, P.Gannavaram | **2022** | Score: **87%**

CERTIFICATIONS & ACHIEVEMENTS

- **Certification:** Verified Certificate: *Python for Beginners* — **Simplilearn SkillUp** (Issued: 11th Dec 2025 | Code: **9570454**).
- **Soft Skills:** Effective Communication Skills, Collaborative Team Cooperation, Problem-Solving.
